MARIPOSA AGENCY

ABOUT US

A **young** and **successful** reality in Northeast Italy.

We carry out our activity in the areas of: **business promotion, events, model agency.**

Turnkey consulting for the **creation, organization and management** of events.

We give **maximum attention to our clients' needs**, taking care of each event in detail.

We are structured to provide the **best organizational services**, even at the **international level.**

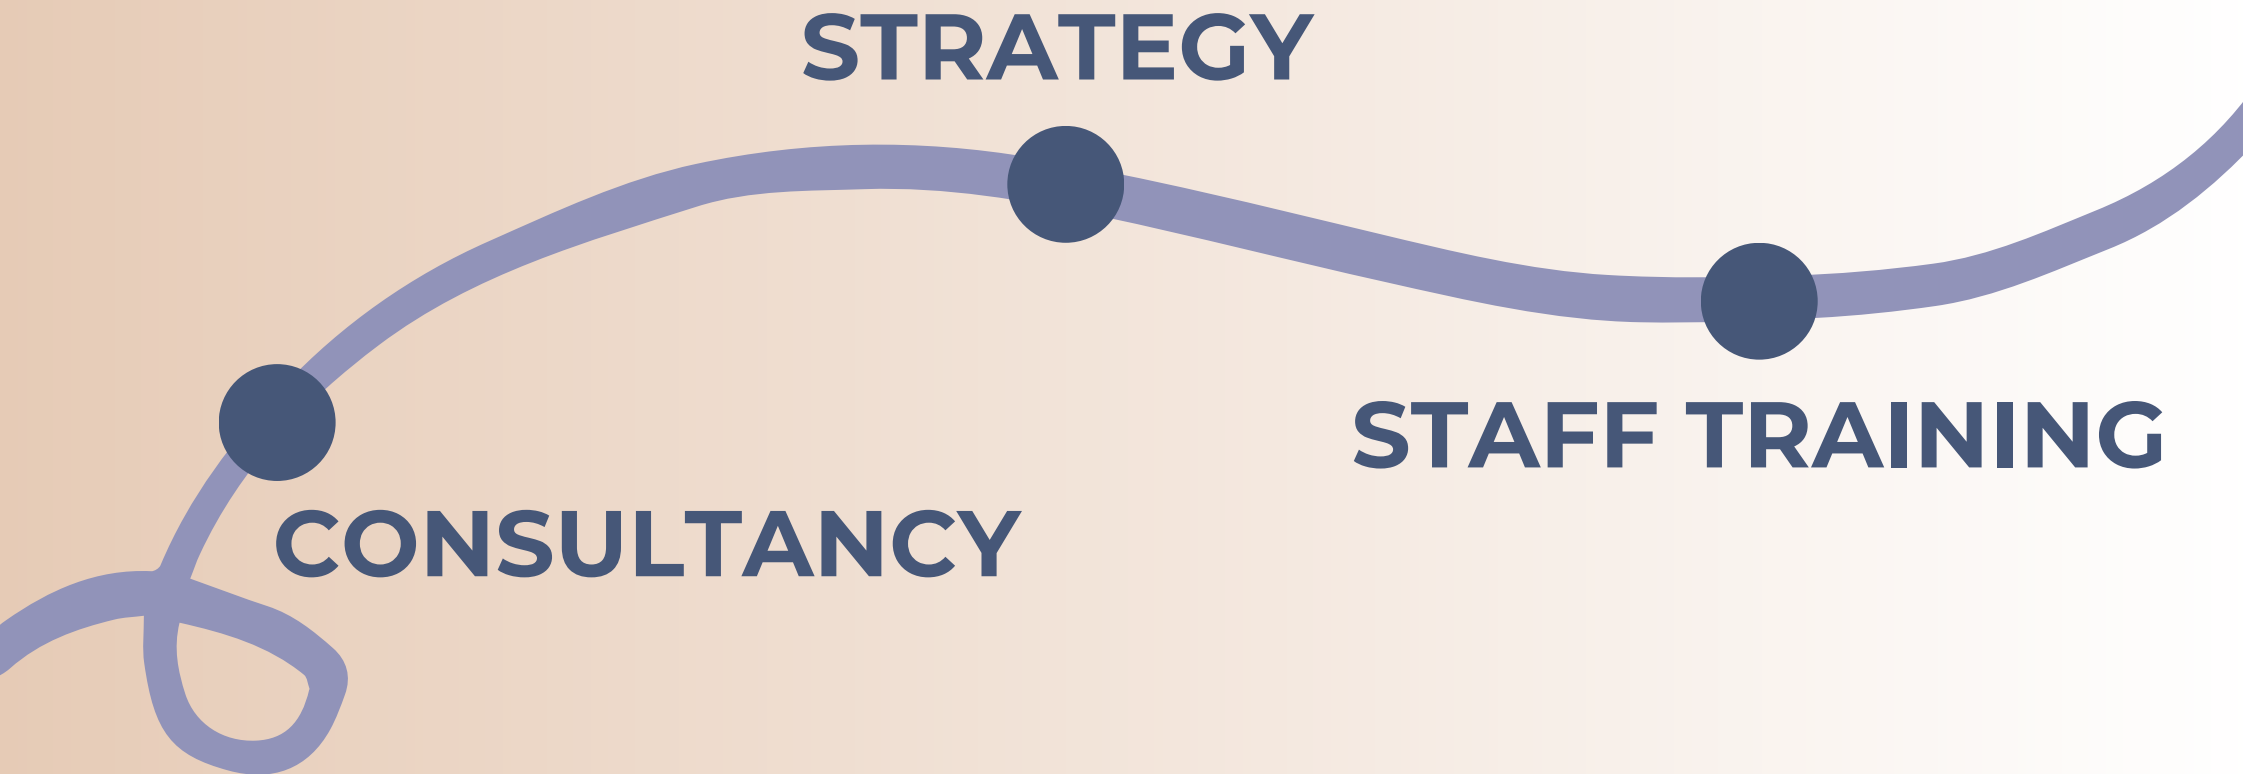

We are dedicated to a clientele that appreciates those who work without improvisation or margins for error.

"Luck is what happens when preparation meets opportunity". (G. Letterman)

OUR SERVICES

We operate nationwide with resources scrupulously selected for **elegance, skill, technique, presence** and **expertise**

"Professionalism is knowing and having attention to detail but also charging and conveying enthusiasm for your work as if each time was the first and the most important".
