# PLAYGOLF54 WHERE ORDINARY BECOMES EXTRAORDINARY

*PlayGolf54 offers ideal facilities and sweeping, panoramic views, undulating fairways and manicured greens. Everything about it has been designed to produce a golfing venue that will challenge the enthusiast and captivate the experienced golfer.*

*The name PlayGolf54 comes from the number of holes that the three golf*

*courses encompass.  
where ordinary  
becomes extraordinary*

***Golf della Montecchia** is a 27-hole golf course that has hosted international events (European Challenge Tour).*

***Golf Frassanelle** is an 18-hole golf course that is located in an historical park in the heart of the Euganean Hills .*

***Golf Terme di Galzignano** is a 9-hole golf course that is located in the context of a natural oasis made up of thermal pools, a park, a spa, hotels and a sports center.*

*The three golf courses are about 20 minutes from one another and offer different and customised experiences to satisfy a variety of needs: golf enthusiasts, youth, tourists, tour operators and companies wanting to promote relations and their brands through golf.*

# A SHORT DRIVE FROM VENICE

*The water gushing from the Euganean Hills has healing, restorative qualities. Containing sodium, chloride, bromide and iodine, the naturally warm water springs from a depth of 3000 meters. The natural hot springs, thermal waters and their health benefits have been renowned since ancient times.*

*Considered one of the most romantic cities in the world, Venice charms visitors with its extraordinary beauty, intriguing history, unique scenery. Saint Mark's Basilica and Square, the Bridge of Sighs and the Rialto Bridge, and the Doge's Palace are just a few*

*where ordinary of the not to miss sights to see. becomes extraordinary*

# PADUA NURSERY OF ARTS

*"For the great desire i had to see i fair Padua,  
nursery of arts, i am arrived..." William Shakespeare.*

*The city closest to PlayGolf54 is Padua which boasts an extraordinary  
historic, artistic, and cultural heritage. The Scrovegni Chapel, which was  
entirely frescoed by Giotto, is considered one of the greatest masterpieces  
of the Medieval. Padua is also the home of one of the largest squares  
in Europe and St. Anthony's Basilica where you can admire Donatello's High  
altar inside and the equestrian monument of Gattamelata*

*where ordinary outside in the square.  
becomes extraordinary*

*Other nearby destinations include Abano and Montegrotto that  
boast some of the most important and oldest thermal facilities  
in Europe. The anti-inflammatory properties of their mud have  
been recognized by the Minister of Health for its quality and  
proven therapeutic properties. Renown for the last 2,000 years  
for the health benefits of thermal treatments, the facilities  
located there are frequented by persons committed to natural  
treatments, health and wellness.  
...not to mention the Wine Route of the Euganean Hills which is  
a gourmet's paradise.*

# ONE OF THE LEADING EUROPEAN GOLF COURSES

*The **Golf della Montecchia** Course is a 27-hole course that was designed by the golf course architect Tom McAuley. One of the leading European golf courses, it is frequented by an international clientele. It was chosen to host the Alps Tour Tournament twice and the European Challenge Tour Tournament four times. The facility offers a large driving range with 38 covered stalls, a pro shop, a swimming pool, a solarium, a sauna, two restaurants (one with a Michelin star) and 2 snack bars.*

*where ordinary

# PLAY AND RELAX IN A 19TH CENTURY PARK

*The **Golf Club Frassanelle**, which is an 18-hole golf course that is located in a park, was designed by Marco Croze, a senior member of the European Institute of Golf Course Architects.*

*Belonging to the noble family of Padova, the course is located in a protected area which was declared a "Parco Regionale dei Colli Euganei" in 1989 to safeguard the naturalistic, historical and environmental features of the area.*

*Animal and plant species can live there in perfect, where ordinary <sup>protected equilibrium.</sup> becomes extraordinary*

*The 150-meter, par 3, 15th hole is particularly notable for the large lake approaching the green framed by majestic trees. The club house is hosted in a 17th century restored country house furnished in a style that brings to mind an English golf club. The private park was originally designed by the famous Venetian architect Giuseppe Jappelli.*

# A DEDICATED TEAM OF PROFESSIONALS

*Six golf professionals share their knowledge, expertise and experience to golfers at the Montecchia Golf Academy. Pioneers in Italy in using the Titleist Performance Institute method that was originally developed in California in the late 1990's, our Golf Teaching Pros have embraced an approach that has demonstrated that better fitness leads to better performance. Both professional and amateur players can experiment with technological learning tools such as Trackman, Sam Putt, K-VEST and improve their performance through personalized sessions where ordinary and custom club fitting becomes extraordinary*

*Our Academy offers a selection of individual lesson programmes and golf clinics for golfers of all ages. Whether you need an introductory lesson or a more detailed analysis, the Academy's technology coupled with the extensive experience of our Golf Teaching Pros ensures that you realize what you are doing wrong, and, more importantly, how to improve your performance. We have no doubt that it will be an unforgettable experience that you will want to repeat.*
